**Abstract**

Amruta Institute of Engineering and Management Sciences (AIEMS) was established in 2008 in Bengaluru and is under the umbrella of Basaveshwara Veerashaiva Vidya Vardhak Sangha (BVVS), Bagalkote—a renowned educational trust with a strong legacy of excellence in education and value-based learning and running around 175+ institutions. AIEMS stands as a realization of the visionary leadership of our Chairman, Dr. Veeranna C. Charantimath, and the divine inspiration of His Holiness Gurubasava Swamiji of Bilur. This conference aims to bring together researchers, academicians, industry professionals, and students to share innovative ideas, research findings, and advancements in the domains of Artificial Intelligence, Computational Systems, and Engineering Applications. The theme of the conference is: "Leveraging AI for Sustainable Computing and Communication."
