Chief-Patrons:

Dr.Veeranna C Charantimath
Chairman, BVVS, Bagalkote

Shri Mahesh N Athani
Hon. Secretary, BVVS, Bagalkote

Patron:

Sri. Mahantesh S Shettar
Chairman, AIEMS, Bidadi, Bengaluru

General Chairs:

Dr. Santosh M Muranal
Principal, AIEMS

Dr. Rajeshwar Kadadevaramath
Dean Academic, AIEMS

Convenors:

Dr. Veeresh Patil
Professor & HOD, ECE Dept., AIEMS
Academic Senate Member, VTU, Belagavi

Dr. Sridhara S B
Professor & HOD, CSE Dept., AIEMS

Dr. Mahantesh Mathapati
Professor, CSE Dept., AIEMS

Prof. Shreyas Shivananjappa
HOD, AI & ML Dept., AIEMS

Co-Convenors:

Dr. Pratibhadevi Tapashetti
Professor, ECE Dept., AIEMS

Dr. Anitha N
Associate Professor, ECE Dept., AIEMS

Dr. Sanjana Prasad,
Associate Professor, AI & ML Dept., AIEMS

Prof. Kavya B K
Assistant Professor, CSE Dept., AIEMS

Important Dates:

Paper Abstract Submission Deadline: 15/04/2026

Full Paper Submission Deadline: 30/04/2026

Notification of Paper Acceptance: 10/05/2026

Camera Ready Paper & Registration : 15/05/2026

CALL FOR PAPERS

Amruta Institute of Engineering & Management Sciences, Bidadi, Bengaluru, ***is organizing the International Conference on AI-Driven Computational Systems and Engineering Applications (ICACSEA 2026). This conference serves as a platform for researchers, students, and practitioners from academia and industry to explore advancements and exchange insights in the field of intelligent computing and communication systems. Centred around the theme Leveraging AI for Sustainable Computing and Communication, the conference will cover topics, including but not limited to:***

1.Secure Artificial Intelligence and Machine Learning

- Adversarial machine learning
- Robust AI models for critical systems
- Secure deep learning architectures
- Privacy-preserving AI
- AI security in cyber-physical systems

2.Cloud Computing, Big Data & Networking:

- Blockchain-enabled secure systems
- Secure IoT and embedded systems
- Cybersecurity in intelligent networks
- Secure communication protocols
- AI-driven intrusion detection systems
- 5G/6G secure computational frameworks

3.Secure Computational Systems and Architectures

- Numerical methods and optimization techniques
- Intelligent optimization algorithms
- Data-driven modeling of dynamic systems
- High-performance computing for AI applications

4.VLSI Technology & Communication Engineering:

- Analog & Mixed Signal and, RF Circuits
- VLSI for Automotive Circuits and Systems
- Wireless Systems, 5G & beyond
- Quantum Computing & Communications
- Renewable Energy & Power Electronics
- Nanoelectronics & Nanotechnology
- Biomedical Electronics Technologies
- Satellite Communication

5.Interdisciplinary Computational Systems:

- AI for environmental monitoring
- Computational intelligence in material science
- Secure smart city infrastructures
- AI-driven sustainable engineering systems

*** ***All submitted papers, upon acceptance, will be published in the AIEMS Conference Proceedings with an ISBN.***

Selected high-quality papers will be considered for publication in Scopus-indexed AIP Publishing Conference Proceedings, subject to an additional payment of ₹7,500.

Amruta Institute of Engineering and Management Sciences (AIEMS), established in 2008 in Bengaluru, operates under the umbrella of Basaveshwara Veerashaiva Vidya Vardhak Sangha (BVVS), Bagalkote, under the visionary leadership of our Chairman, Dr. Veeranna C. Charantimath, and the divine inspiration of His Holiness Gurubasava Swamiji of Bilur. The institution is committed to building a world-class center for technical and management education. BVVS operates around 185 institutions, providing education from school level through engineering and medical disciplines.

AIEMS currently offers a wide range of undergraduate programs, including Computer Science and Engineering, Information Science and Engineering, Artificial Intelligence and Machine Learning, Electronics and Communication Engineering, Mechanical Engineering, and Civil Engineering, along with a postgraduate program in Master of Business Administration (MBA).

AIEMS also hosts VTU-recognized Ph.D. research centers in CSE, ECE, and Civil Engineering, supported by incubation facilities, Centers of Excellence, and strong on-campus industry collaborations.
